**WIRELESS TELECOMMUNICATIONS BUREAU SEEKS COMMENT
ON PETITION OF PUERTO RICO TELEPHONE COMPANY, INC.
FOR WAIVER OF THE ANALOG SERVICE REQUIREMENT**

WT Docket No. 07-140

Comments due July 31, 2007

Reply Comments due August 10, 2007

Pursuant to Section 1.925(c) of the Commission's rules,¹ the Wireless Telecommunications Bureau ("Bureau") hereby seeks comment on the request of Puerto Rico Telephone Company, Inc. (PRTC),² Call Sign KNKA384, for waiver of Section 22.901(b) of the Commission's rules.³ Section 22.901(b) requires cellular radiotelephone service licensees to provide analog service until February 18, 2008 (the "analog sunset date") to subscribers and roamers whose mobile equipment conforms to the Advanced Mobile Phone Service (AMPS) standard.⁴

PRTC operates a cellular system throughout Puerto Rico, and seeks waiver of Section 22.901(b) to discontinue analog service before the analog sunset date. PRTC states that it seeks to migrate its remaining 1,863 analog-only subscribers to its existing CDMA network to enable deployment of a new, island-wide GSM/UMTS wideband CDMA cellular system prior to the analog sunset date.⁵ PRTC states that it will provide free CDMA handsets to all remaining analog-only subscribers, including subscribers with hearing disabilities, as an incentive to migrate to digital service.⁶ PRTC argues that under these

⁴ On December 20, 2006, the Bureau released a public notice seeking comment on a petition for rulemaking to extend the analog sunset date until February 18, 2010. See "Wireless Telecommunications Bureau Seeks Comment On Petition For Rulemaking To Extend Cellular Analog Sunset Date," *Public Notice*, 22 FCC Rcd 656 (WTB 2006). On June 15, 2007, the Commission released a *Memorandum Opinion and Order* denying the petition for rulemaking and maintaining the analog sunset date. circumstances, the underlying purpose of the analog service requirement would not be served by continued application to PRTC, and continued application of the rule would be inequitable, unduly burdensome, and contrary to the public interest.⁷

In 2002, the Commission determined that it was unnecessary to continue the analog service requirement indefinitely, because it had achieved the Commission's original goals of ensuring public access to nationwide service (roaming) and low-cost handsets.⁸ The Commission, however, adopted a 5-year sunset period (commencing on the effective date of the *Analog Sunset Order*), to facilitate the transition of persons with hearing disabilities and emergency-only users from analog to digital handsets.⁹

In view of the foregoing, we invite interested parties to comment on PRTC's request for waiver of the analog service requirement.
